

Marine Life

In the Putnam Family Gallery

New at the Harvard Museum of Natural History

Immerse yourself in New England coastal waters in the new Putnam Family Gallery. Also explore 16 other galleries with dinosaurs, rare gems and minerals, hundreds of animals and birds, and huge whale skeletons.

- 7-minute walk from Harvard Square T stop. Open 9–5 daily
- Free admission for Massachusetts K-12 teachers and Harvard ID holders
- Visit www.hmn.harvard.edu for new exhibitions, public lectures, classes and events
